

# ACI CONCRETE STRENGTH TESTING TECHNICIAN

## TRAINING & CERTIFICATION EXAMINATION

The North Texas Chapter of ACI will be conducting a certification examination on **March 18<sup>th</sup>, 2011** (With training on **March 18, 2010**). This examination will be at the Hanson Technical Services Lab.

To prepare for the examination, the certification committee needs everyone to take the exam to fill out a registration form. A check for **\$600.00** per person must be sent in with the registration form before January 14, 2010. **There must be a minimum of ten- (10) applicant to hold the test.** This fee covers the cost of the full examination (written and performance) and lunch (maybe). In the event you need to retake only one portion of the exam, see for the fee below. Remember that your certification expires five years from the date of your most recent successful examination and you must be re tested before expiration of your current certification to retain it.

Check-in for examination will begin 7:15 a.m. An ACI demonstration video will be shown from 7.15 to 9.00 a.m. From 9.00 to 10.00 a.m., the written portion of the exam will be conducted. From 9.00 a.m. to??? The performance portion of the exam will be conducted. We plan to be completed by no later than 5.00 p.m. Examinee should bring at least two No. 2 lead pencils, an eraser, and a calculator. The exam requires a working knowledge of the following ASTM Standard Methods or Procedures: C-617, C-1231, C-39 and C-78. If you should have any questions, please call

Vartan Babakhanian at Phone: (972)-260-3646  
Fax: (972)-260-3655
